

DUTA BUANA PERMATA

A Subsidiary of PT Nusa Konstruksi Enjiniring Tbk.

COMPANY PROFILE

COMPANY OVERVIEW

PT Duta Buana Permata is a subsidiary of PT Nusa Konstruksi Enjiniring Tbk. (NKE), which has been operating in the Real Estate and Property sector since 2007 with an NKE ownership portion of 99.99%.

PT DBP currently owns and is in the phase of publicity (or promoting) of its assets in the form of premium-class apartment units, office space and commercial shophouses, which are in strategic locations and have the best features which are adequate and support all the activities of its users.

PT DBP plans to develop into a middle-class property and construction company to meet current market needs and become a leading company in providing the best properties in Indonesia.

THE RESIDENCE AT DARMAWANGSA

It is located on Jalan Raya Dharmawangsa (Kebayoran Baru), which is the ideal location to support office activities in the surrounding area of TB Simatupang, SCBD, Sudirman, and other nearby locations.

This building is intended to meet these needs while also improving the quality and complementing the "urban fabric" in this city area while preserving the characteristics of Dharmawangsa Street, which was originally a residential area with a dense green atmosphere.
